President's Message

A week of good weather with great hosts at the Rocks Resort Currumbin made it another successful camp.

This year we had nine new campers and 16 new volunteer carers enjoy a week of great activities including a disco night, dinner and show at Jupiters Casino, helicopter rides, fishing, Harley motor bike and Cobra car rides being a highlight again and many more fun activities.

To see so many young volunteers give up 8 days to provide personal care for the campers, many for the time, was purely inspirational.

Thanks to all who made this this possible again.
