### Outgoing President's Message

Our Annual Luncheon was held in May at the Currumbin RSL, About 140 attended with Brianna Woodward as the guest speaker and was the high light of the day. Brianna has attended many camps over the year's as both a camper & carer. The Weeklong mid year camp was once again held at the Rocks Resort Currumbin, many thanks to the management and residents for hosting us again.

Thanks to the Southport Flying Club for breakfast and the helicopter rides. Other activities were the wheelchair disco organised by the Palm Beach Currumbin Loinesses. Tweed Eco Cruises for the Cruise on the Tweed River, and a night at Draculars. The final night dinner was attended by over 100 invited guests with many being past Campers & Carers.

I have decided that after 30 years of being involved 18 years as president it is time to stand down. But will remain involved on the committee. I would like to thank all the committee for their support especially Lesley Hayward who does an incredible amount of work with the running of TACQ. I'm sure TACQ will be in good hands with incoming President Steven Woodward who has been a carer on many camps over the years.

Kind Regards,  
David Cameron

### Incoming President's Message

For those of you who do not know me, my name is Stephen Woodward, and I am proudly the new President of TACQ. I feel incredibly privileged and honoured to step into this role. After attending my first camp more than 15 years ago, I felt a strong pull toward this charity and have since been involved in almost 10 camps as a carer.

TACQ has held a special place in my heart ever since, and I am genuinely excited to now be stepping into the role of President. I want to extend my heartfelt thanks to both the current and past committee members, and especially to my predecessor, David Cameron, for the passion, dedication, and immense effort poured into building and sustaining this camp over the past 30 years.

TACQ is something trulyspecial, and I am grateful for the opportunity to help carry it forward. I'm excited for what lies ahead and deeply hopeful that, together, we can continue to see this organisation flourish. Our mission to positively impact and change the lives of young people remains at the heart of everything we do, and I'm honoured to play a part in that legacy in the years to come. Thank you for welcoming me into this role. I look forward to what we will achieve together.

Kind Regards,  
Stephen Woodward

Many Thanks To The Rocks Resort Currumbin For Hosting Our Camps For The Last 30 Years. The Peterson Family Have Always Bent Over Backwards To Accomadate Our Group Of Upto 50 At Times. Also Thanks To The Residents For Putting Up With Wheelchairs Buzzing Around For The Week.
